

# The Academic Application Process

ESL Start: \_\_\_\_\_ ESL End: \_\_\_\_\_

Take your first TOEFL and/or IELTS within 3 months of your arrival. This will help you figure out the test

Research universities that you would like to attend. Apply to more than one!

<http://www.kuwaitculture.com/University/listing.asp> to see if your major is approved.

Fill out the application forms to the university, including supplementary applications.

Notify your KCO advisor of the schools you applied to.

Remember due dates/deadlines!

## WAITING PERIOD

Follow up with the university regarding your admission status. You may contact the university by email or phone, or check your application status online.

Acceptance notifications may arrive as late as 5 months from the application deadlines.

Send in your last minute official TOEFL and/or IELTS scores directly to the universities.

## ADMISSION NOTIFICATIONS

When you receive all notifications of accepted or not accepted, select one school you would like to attend.

Submit any documents required by the university that states you are accepting their offer. This includes filling out an "intent to enroll" form, a transfer I-20 form, and paying a deposit.

Notify our office which school you are going to attend and we can send the Financial Support Letter to the university.
