4. TRAVEL AND ARRIVAL TIPS

- Carry all your original immigration documents with you at all times while you travel. Do not check them in with your luggage.
- Proofread all of your travel-related documents (i.e., Form I-20, Form I-901 SEVIS fee receipt and visa) to ensure they are correct. Especially make sure your name and birth date are written exactly the same way on all of your documents. If you find an error in a document, have it corrected by the people who completed the document before you apply for the next document in the process.
- Complete the CF-6059B Customs Declaration form provided to you during your flight.
- Make sure to have the name and phone number of the foreign student advisor at your school.
- If you arrive at the U.S. border without all the necessary paperwork, CBP officials may issue you a Form I-515A, "Notice to Student or Exchange Visitor".
- Failure to provide proper documentation or compliance with directions in Form I-515A may result in denied entry.
- For further information, please visit the U.S. Immigration and Customs Enforcement website regarding International Students at <http://www.ice.gov/sevis/students/index>

We strongly recommend arriving in the U.S. during the work week (Monday-Friday) between the hours of 9:00am-5:00pm to ensure that the Consulate and/or offices at your program of study are open and able to assist you with any urgent matter.
